  - ii. the higher of the price of the last independent trade and the highest current independent purchase bid on the trading venue where the purchase is carried out at the relevant time;
- d. unless previously renewed, revoked or varied, this authority shall expire at the conclusion of the AGM to be held in 2020 (or, if earlier 30 June 2020); and
- e. under this authority the Company may enter into a contract to purchase Ordinary Shares which would or might be executed wholly or partly after the expiry of this authority, and the Company may make purchases of Ordinary Shares pursuant to any such contract as if this authority had not expired.

Resolution 3 is to re-appoint PricewaterhouseCoopers LLP as auditors of the Company, to hold office from the end of this AGM to the end of the next AGM at which accounts are laid before the Shareholders.

Resolution 4 is to authorise the fixing of the remuneration of the auditors. The Audit Committee will consider and approve the audit fees on behalf of the Board.

## Resolutions 5 to 14: Re-election of Directors

The Directors included in these resolutions are standing for re-election, in accordance with the Company policy and in line with Section B.7.1 of the UK Corporate Governance Code which states that all directors of FTSE 350 companies should be subject to annual election by shareholders. A summary of the experiences of all the Directors is detailed on pages 66-67 of the annual report and accounts for the year ended 31 December 2018, which accompanies this document and on the Company's website [www.hikma.com](http://www.hikma.com).

In reviewing the independence of each Non-Executive Director, the Board has concluded that all Non-Executive Directors with the exception of Dr. Jochen Gann and Ali Al-Husry are independent.

In addition, the Chairman confirms that the Board has appraised the performances of each of the Directors and considered the balance of skills and experience required. The Board has determined that they each continue to make an effective and valuable contribution to the Board and fully supports each re-election.

## Resolution 15: Remuneration Committee Report 2018

The Company is required to seek Shareholders' approval in respect of the contents of the Remuneration Committee Report on an annual basis. The vote is advisory.

The Remuneration Committee Report is detailed on pages 81-104 of the annual report and accounts for the year ended 31 December 2018, which accompanies this document.

## Resolution 16: Authority to allot Ordinary Shares

Your Directors may only allot Ordinary Shares or grant rights over Ordinary Shares if authorised to do so by Shareholders.

The authority granted at the AGM held in 2018 is due to expire at this year's AGM. Accordingly, Resolution 16 will be proposed as an ordinary resolution to grant a new authority to allot share capital. Paragraph (a) of this resolution would give the Directors the authority to allot Ordinary Shares or grant rights to subscribe for or convert any securities into Ordinary Shares up to an aggregate nominal amount equal to £8,054,329 (representing 80,543,290 Ordinary Shares). This amount represents approximately one-third of the issued Ordinary Share capital of the Company as at 12 April 2019, the latest practicable date prior to publication of this Notice.

In line with guidance issued by the Investment Association ('IA'), paragraph (b) of this resolution would give the Directors authority to allot equity securities (as defined in the Act and which includes Ordinary Shares) in connection with a rights issue in favour of Shareholders up to an aggregate nominal amount equal to £16,108,658 (representing 161,086,580 Ordinary Shares), as reduced by the nominal amount of any Ordinary Shares previously issued under paragraph (a) of this resolution. This amount (before any reduction) represents approximately two-thirds of the issued Ordinary Share capital of the Company as at 12 April 2019, the latest practicable date prior to publication of this Notice. If the Directors were to exercise this further authority, they intend to follow the recommendations of the IA as regards to its use.

The authorities sought under paragraphs (a) and (b) of this resolution will expire at the earlier of 30 June 2020 (the last date by which the Company must hold an AGM in 2020) or the conclusion of the AGM to be held in 2020.

In the year ahead, other than in respect of the Company's obligations to satisfy rights granted to employees under its various share-based incentive arrangements, the Directors have no present intention of exercising this authority.

As at the date of this Notice, the Company holds no treasury shares.

## Resolutions 17 and 18: Authority to disapply pre-emption rights

Your Directors also require authority from Shareholders to allot Ordinary Shares or grant rights over Ordinary Shares or sell treasury shares where they propose to do so for cash and otherwise than to existing Shareholders pro rata to their existing shareholdings.

The authority granted at the AGM in 2018 is due to expire at this year's AGM. Resolutions 17 and 18 will be proposed as special resolutions, each of which requires a 75% majority of the votes to be cast in favour. They would give the Directors the authority to allot equity securities (and/or sell any Ordinary Shares which the Company elects to hold in treasury) for cash without first offering them to existing Shareholders in proportion to their existing shareholdings.

The power set out in Resolution 17 would be, similar to previous years, limited to: (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares, or as the Directors otherwise consider necessary, or (b) otherwise up to an aggregate nominal amount of £1,208,149 (representing 12,081,490 Ordinary Shares). This aggregate nominal amount represents approximately 5% of the issued Ordinary Share capital of the Company as at 12 April 2019, the latest practicable date prior to publication of this Notice.

In respect of the power under Resolution 17(ii), the Directors confirm their intention to follow the provisions of the Statement of Principles regarding cumulative usage of authorities within a rolling 3-year period where the Statement of Principles provides that usage in excess of 7.5% of the issued Ordinary Share capital of the Company should not take place without prior consultation with Shareholders.

Resolution 18 is intended to give the Company flexibility to make non pre-emptive issues of Ordinary Shares in connection with acquisitions and other capital investments as contemplated by the Statement of Principles. The power under Resolution 18 is in addition to that proposed by Resolution 17 and would be limited to allotments or sales of up to an aggregate nominal amount of £1,208,149 (representing 12,081,490 Ordinary Shares) in addition to the power set out in Resolution 17. This aggregate nominal amount represents an additional 5% of the issued Ordinary Share capital of the Company as at 12 April 2019, the latest practicable date prior to publication of this Notice.

The authority will expire at the earlier of 30 June 2020 (the last date by which the Company must hold an AGM in 2020) or the conclusion of the AGM to be held in 2020.

## Resolution 19: Authority to purchase Ordinary Shares

This resolution will give the Company authority to purchase its own Ordinary Shares in the market up to a limit of up to 24,162,980 Ordinary Shares, being 10% of the Company's issued Ordinary Shares as at 12 April 2019 (the latest practicable date prior to the posting of this document), renewing the authority granted by the Shareholders at the previous AGM. The Company has not used the authority granted at the previous AGM to carry out any market purchases of Ordinary Shares.

The Directors have no present intention of exercising the authority, however, your Directors believe that it is advantageous for the Company to have the flexibility to make market purchases of its Ordinary Shares. Your Directors would exercise this authority only if they are satisfied that it would be in the best interests of the Company, and of its Shareholders generally, and could be expected to result in an increase in the earnings per share of the Company.

Ordinary Shares purchased pursuant to this authority may be cancelled (and the number of Ordinary Shares in issue would be reduced accordingly) or, subject to the provisions of Chapter 6 of Part 18 of the Act, be retained as treasury shares. The Company will consider holding re-purchased Ordinary Shares pursuant to the authority conferred by this resolution as treasury shares (the Company currently has no Ordinary Shares in treasury). This would give the Company the ability to re-issue treasury shares quickly and cost effectively, and would provide the Company with additional flexibility in the management of its capital base. Any holdings of treasury shares will not exceed the 10% anti-dilution limit set by the IA.

The minimum price, exclusive of expenses, which may be paid for an Ordinary Share is 10 pence. The maximum price, exclusive of expenses, which may be paid for an Ordinary Share is the highest of: (i) an amount equal to 5% above the average market value for an Ordinary Share for the five business days immediately preceding the day on which that Ordinary Share is contracted to be purchased; and (ii) the higher of the price of the last independent trade and the highest current independent purchase bid on the trading venue where the purchase is carried out at the relevant time.

As at 12 April 2019, the total number of options and awards over Ordinary Shares was 2,095,832 which if exercised would represent 0.86% of the Company's issued share capital at that date. If the Company was to purchase its own Ordinary Shares to the fullest possible extent of its authority from Shareholders given at the 2018 AGM and the authority now being sought by Resolution 19, this number of outstanding options and awards could potentially represent 0.96% of the issued share capital of the Company.

This authority is in addition to and separate from the specific authority granted by Shareholders at the General Meeting on 19 February 2016 whereby, pursuant to the shareholders' agreement between the Company, Boehringer Ingelheim International GmbH ('BI') and Boehringer Ingelheim Corporation, Shareholders authorised the off-market purchase of all or part of any Ordinary Shares held by BI or its affiliates from time to time and that BI or its affiliates propose to dispose of from time to time, being up to 40,000,000 Ordinary Shares as at completion of the acquisition.

If granted, the authority will expire at the earlier of 30 June 2020 (the last date by which the Company must hold an AGM in 2020) or the conclusion of the AGM to be held in 2020.

### Resolution 20: Notice of General Meetings

This resolution authorises a reduction in the minimum notice period for general meetings, other than AGM. Whilst the Company's Articles of Association already provide for a minimum notice period of 14 clear days for General Meetings, the Act requires that the Company requests Shareholders to authorise this minimum notice period at every AGM in order to be able to take advantage of this provision. In 2018, the Shareholders voted in favour of allowing the Company to call general meetings (other than an AGM) on 14 clear days' notice. Whilst the Board considers that it is unlikely to use this authority, the Company would like to preserve the flexibility to do so. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. The Company will meet the requirements for electronic voting under the Act before it will call a general meeting on 14 clear days' notice.

### Recommendation

Your Directors as a whole believe that the proposals above are most likely to promote the success of the Company for the benefit of Shareholders as a whole and unanimously recommend that you vote in favour of Resolutions 1 to 20 as they intend to do in respect of their entire holdings which effectively amount to 28,690,276 Ordinary Shares, representing approximately 11.9% of the Company's issued share capital. Further details of directors' shareholdings, including those effectively owned through Darhold Limited, can be found in the 2018 Annual Report on page 101.

### Proxy form

A Form of Proxy for the AGM is enclosed and should be completed and returned as soon as possible. To be valid, it must reach the Company's registrars, Link Asset Services, no later than 48 hours before the AGM, being 10.00 a.m. on 15 May 2019 (or, if the AGM is adjourned, by no later than the close of business two business days prior to the adjourned AGM). Completion and return of the Form of Proxy will not prevent you from attending and voting at the AGM in person, should you so wish.

## Right to attend and vote

1. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001 (SI 2001 No 3755), the Company specifies that, in order to have the right to attend and vote at the AGM (and also for the purpose of calculating how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Ordinary Shares of the Company by no later than the close of business on 15 May 2019 or, if the meeting is adjourned, a person must be entered on the register of members of the Ordinary Shares of the Company by no later than the close of business two days prior to the adjourned meeting. Changes to entries on the register after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

## Proxies

2. A member entitled to attend and vote may appoint a proxy or proxies who need not be a member of the Company to attend, to speak and to vote at the AGM instead of him or her. A Form of Proxy for the AGM is enclosed and should be completed and returned as soon as possible. To be valid, it must reach the Company's registrars, Link Asset Services, at PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU by post or by using the Business Reply service attached to this form or at the electronic address provided below, in each case no later than 48 hours before the AGM. Therefore, please deposit your form before 10.00 a.m. on 15 May 2019 (or, if the AGM is adjourned, by no later than the close of business two business days prior to the adjourned AGM). Completion of a Form of Proxy will not preclude a member from attending and voting in person at the meeting should he or she so wish. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. A proxy need not be a member of the Company.

## Electronic proxies

3. Alternatively, you may register your proxy appointment and instructions on-line by visiting the Link Share Portal, by logging onto [www.hikmashares.com](http://www.hikmashares.com), where full instructions are given. In order to register your vote online you will need to enter your Investor Code which appears on the bottom right-hand side of your share certificate.

## Directors' service contracts

4. Copies of the Executive Directors' service contracts and the Non-Executive Directors' letters of appointment are available for inspection at the Company's registered office, from the date of this notice until the date of the AGM, between 9.00 a.m. and 5.00 p.m. Monday to Friday (except public holidays). You can also inspect copies of these documents at the AGM venue; they will be available from 15 minutes before the AGM to 15 minutes after the AGM.

## CREST electronic proxies

5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for this AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via <https://my.euroclear.com/en/login>). The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 10.00 a.m. on 15 May 2019 (or, if the AGM is adjourned, by no later than the close of business two business days prior to the adjourned AGM). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointing a proxy will not prevent a member from attending in person and voting at the AGM should he or she so wish.

## Joint holders

6. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

## Appointing a corporate representative

7. Any corporation which is a member can appoint one or more corporate representatives. Each representative may exercise on behalf of the corporation the same powers as the corporation could exercise if it were an individual member of the Company provided that they do not do so in relation to the same Ordinary Shares. It is therefore no longer necessary to nominate a designated corporate representative.

## Nominated persons

8. Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a 'Nominated Person') may have a right, under an agreement between him/her and the member by whom he/she was nominated, to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may have a right, under such an agreement, to give instructions to the member as to the exercise of voting rights. Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.

The statement of the rights of the members in relation to the right to vote and the appointment of corporate representatives and proxies set out in paragraphs 1 to 7 above, does not apply to Nominated Persons. Those rights can only be exercised by Shareholders of the Company.

## Voting rights

9. As at 12 April 2019 (the latest practicable date prior to the publication of this document) the Company's issued share capital consists of 241,629,880 Ordinary Shares, carrying one vote each. There are no shares held in treasury. Therefore, the total voting rights in the Company as at 12 April 2019 are 241,629,880.

## Website publication of audit concerns

10. Shareholders should note that it is possible that, pursuant to requests made by members of the Company under section 527 of the Act, the Company may be required to publish on a website a statement setting out any matter relating to:
- the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or
  - any circumstance connected with an auditor of the Company appointed ceasing to hold office since the previous meeting at which annual accounts and reports were laid (in each case) that the members propose to raise at the AGM.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

## Website

11. A copy of this Notice, and other information required by section 311A of the Act, can be found at [www.hikma.com](http://www.hikma.com)

**You may not use any electronic address (within the meaning of section 333(4) of the Act) provided in this Notice (or in any related documents including the annual report and accounts and the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.**

## Voting

Voting on the Resolutions will be decided by poll. Hikma believes a poll is more representative of the shareholders' voting intentions than a show of hands because shareholder votes are counted according to the number of shares held and all votes tendered are taken into account. The Chairman will invite each registered Shareholder, duly appointed proxy and corporate representative at the meeting, to complete a poll card indicating how they wish to cast their votes in respect of each Resolution. In addition, the Chairman will cast the votes for which he has been appointed as proxy. The proxy votes lodged in advance will be displayed at the meeting. Poll cards will be collected at the end of the meeting. Once the final results of the poll have been verified by the Company's registrars, they will be notified to the UK Listing Authority, announced through a Regulatory Information Service and available to view on the Company's website.

## Shareholders' rights to ask questions

If you are a Shareholder who is unable to attend the Meeting, but have a specific question you would like to ask at the AGM, you are invited to send the Company Secretary an email at [cosec@hikma.uk.com](mailto:cosec@hikma.uk.com) or write to the Company Secretary at the registered address at 1 New Burlington Place, London W1S 2HR.

The Company may process personal data of attendees at the AGM. This may include webcasts, photos, recording and audio and video links, as well as other forms of personal data.
