

## Hikma Injectables Portugal site visit

**London, 30 November 2022** – Hikma Pharmaceuticals PLC (Hikma), the multinational pharmaceutical group, is today hosting sell side analysts at its Injectables manufacturing facility in Sintra, Portugal.

The visit will primarily provide the opportunity for attendees to tour this state-of-the-art facility which serves as a global hub for the Injectables business, the largest of Hikma's three divisions. Senior members of the Injectables team will also present on the unique fundamentals of the business, which has a solid track record of revenue growth and strong margins. No new material information will be provided.

The presentation is available on Hikma's website at [www.hikma.com/investors/results-reports-and-presentations](http://www.hikma.com/investors/results-reports-and-presentations).

### About Hikma

Hikma Pharmaceuticals PLC (LSE: HIK) (NASDAQ Dubai: HIK) (OTC: HKMPY)  
(LEI:549300BNS685UXH4JI75) (rated BBB-/stable S&P and BBB-/stable Fitch)

Hikma helps put better health within reach every day for millions of people around the world. For more than 40 years, we've been creating high-quality medicines and making them accessible to the people who need them. Headquartered in the UK, we are a global company with a local presence across the North America, the Middle East and North Africa (MENA) and Europe, and we use our unique insight and expertise to transform cutting-edge science into innovative solutions that transform people's lives. We're committed to our customers, and the people they care for, and by thinking creatively and acting practically, we provide them with a broad range of branded and non-branded generic medicines. Together, our 8,700 colleagues are helping to shape a healthier world that enriches all our communities. We are a leading licensing partner, and through our venture capital arm, are helping bring innovative health technologies to people around the world.
