hikma.

Company description

Hikma is a multinational pharmaceutical company. Listed on the London Stock Exchange, we are a global company with a local presence across North America, MENA and Europe, providing our customers with a broad range of generic, specialty and branded pharmaceutical products.

Acting responsibly

At Hikma, we strive to put better health within reach, every day and make a difference to people's lives.

We have a duty to act responsibly: for our people, patients, communities and the planet. We have identified four focus areas where we can drive positive impact.

Strategy

We aim to deliver consistent and profitable growth by putting better health within reach every day, creating high-quality medicines and making them accessible for patients around the world. We do this by focusing on three strategic pillars: Strive for excellence, Diversify and differentiate and People and responsibility.

Injectables

We supply hospitals across our markets with generic and specialty injectable products supported by our manufacturing facilities in the US, Europe and MENA.

Branded

We supply branded generics and in-licensed patented products from our local manufacturing facilities to retail and hospital customers across the MENA region.

Generics

We supply oral, respiratory and other generic and specialty products to the North American retail market, leveraging our state-of-the-art manufacturing facility in Columbus, Ohio.
